Mr Cooks views regarding the Draft Rules prepared in this Office in connection with the Special Scholarships now in question are contained in his letter No 21 dated 20th July 1898 and in the alterations made by him in paper S. No 18a

Mr Rhabba's views are stated in his letter No 815J/246 dated 10 March 1898 He has sent new draft rules for the approval of Govt

Neither of these Officers is in favor of continuing the Scholarships to a Matriculate he thinks he is one of the first four in the F A Exam

Mr Rhabba's draft Rules provide for separate Scholarships, each tenable for 2 years, one for the F A Course and the other for the B A Course

With the Govt of
Bmd Central College are
strongly of opinion that
the scholarships shd
be limited to 2 yrs -
I think there is much
force in the arguments
adduced by Mr Cooke

Passing 7a in
the 1 Class must be
regarded as a sine qua non
for retention of the 8th
scholarships for the 8A Class

If a student fails
to secure a 1 Class &
mark a trifle may be
specially recommended
by the Principal for the
continuance of the scholar-
ships as a special case

It must be
particularly stated in
the draft Rules that

these special scholarships
will be granted only
to students studying
in one or other
of the Welsh Colleges
The omission to state
this distinctly may lead
to a misconception
of the duties
Rule 4 in the draft Ins[n]
slightly modify this as
follows —

The Scholars will
~~continue~~ to hold these
scholarships only so long
as their conduct and
progress continue to
satisfy the Council
of the College in which
they are studying —"

Rule 5 is at
variance with the
whole scheme — If a
student fails to pass

a proper statute - if in
the 1 Clause he forfeits
his school rights The
only exception that
can be strictly
reconciled with, as I
have already stated
in the case of one
who fails to secure
a 1st Class pass by one
or two marks - but
exceptions may be
restricted to the State
of an unforeseen Event
Rule 6 must at
least the standard
as suggested above
Rule 7 is unnecessary
& cannot be applied
in the case of the
Grant, & the Collector
Hampden

I would adopt
the alterations suggested
by Mr Cook (see Rule No 18 A)
and also enter by on
them the amendments
proposed by Mr Whalley
to the extent appearing
from above

In reply to your no 9801/E&T 1196 dated 16 February 1898 requesting my opinion or remarks on revised draft rules re Special Scholarships I have the honour to submit that although I approve generally of the increased liberality of the Government exhibited in these rules I do not think that it will be educationally desirable that by merely passing the Matriculation Examination in the first class highest for the Province of Mysore, five students should obtain good Scholarships of Rs10/ each per month for 4 years to be held unconditionally in the manner indicated in Para 3 I have had statistics drawn up which give the history of all the students who have held the first class Scholarships since 1885 and I

the Ba degree Examination 5 Any B.A. First classes that we may have had have been joined by Students who did not join Special Scholarships by the Matriculation Exam Thus leads me to believe that the stimulus given to students by the chance of securing Special Scholarships by passing the FA Examination in the First class even though they may have passed the Matriculation Exam in the Second class has been very great during the past 10 or 12 years and that it would not do to lose it; though, no doubt, the additional provision liberally proposed in Para 4 of the Amended Rules would to a certain extent make up for this.

With these explanations, I have the honor to return the draft Memo sent with the changes I have proposed marked in red and I would express the hope that the Government may see the force of the recommendations I have suggested

~~Bangalore~~ Mysore, 10 March 1898

From

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
in the General and Revenue Dept
Bangalore.

Sir

With reference to your ~~memo~~ No 19 / 10565 / 27/11/96 dated 1st March 1898, I have the honour to return the Draft Rules of Special Scholarships with Cooks letter No 214 of 20th Febry 1898 with the following remarks I have long felt that the rules for these scholarships should be rendered more definite than at present I perfectly agree with the views stated by Mr Cook in his letter and consider that by making the special scholarships tenable for four years most of the holders of these scholarships will become indifferent and fail to distinguish themselves in any way in the F A or B A Examination To remedy this defect a practice has sprung up, though it has not been expressly authorised, to deprive those Special scholars of their scholarships who fail to pass the F A Examination in the first class and to give them to others who have passed in the First Class I would therefore strongly recommend that

tenure of the scholarships awarded on the results of the Matriculation Examination be limited to two years only - Similarly I would propose the award of special scholarships to the first five in the first class at the F A Examination, the tenure of these scholarships being also limited to two years during the B A Degree Course - The practice of making Government scholarships tenable for two years only in the F. A and B A Classes respectively obtains in the Madras Education Department (See Notification of Government scholarships for 1898 on p 67 Part I B of Fort St George Gazette of 1st February 1898) In the case of those who on account of illness or other unavoidable and satisfactory reason fail to pass the F A Examination in the First Class or in all the Branches of the B A Degree Examination within two years from the time of passing the F A Examination, I would recommend that some concession may be shown On the above lines I have drafted a new set of rules which I trust will meet with the approval of Government In rule 7 I have stated that recommendations for these scholarships should be made to the Inspector General - As the interests of three Colleges in the Province are concerned, and the Heads of the Maharajas and Shimoga Colleges submit their recommendations to me, it would tend to despatch and consistency if the recommendations from the Central College also, especially when the concessions referred to in Rules 5 and 6 are asked for, are received in my office

F. St George Gazette Pub 1/
